

## ***Dumisani Second Semester (Terms 3 & 4) Bursary Information for 2018 for senior level students***

In 2016 we began our new Dumisani Bursary programme. This is an effort to assist senior, non-sponsored **AMS or BTh students** with their studies at Dumisani. Bursaries will be valued at between R1,000 and R 5,000 for 2018.

These bursaries are awarded in the second semester (Terms 3 & 4) and will be based upon merit, a demonstration of financial responsibility in semester one, and Christian character and are for non-sponsored AMS and BTh students only.

All student accounts must be fully paid from the first semester (Terms 1 & 2) before consideration of a second semester bursary will be given.

This Bursary programme will be limited to students who have done their first semester at Dumisani.

If a student drops out in the second semester and they have received a bursary that semester, they forfeit the right to receive a bursary a second time from this Bursary Fund.

For further information please speak with the principal.
